PROFILE SUMMARY

I am a dedicated Computer Engineering student known for my strong work ethic and ability to solve complex problems. I am currently seeking opportunities where I can leverage my technical expertise to contribute to innovative projects and drive organizational success. I am a motivated and versatile individual with a passion for technology and a drive to make a positive impact. I am excited about the prospect of bringing my skills and enthusiasm to a new challenge and contributing to the success of your organization.

WORK EXPERIENCE

1. Academic Project: Development of Websites 2022 - PRESENT
Purbanchal University

- Developed a different types of websites related to field needed as part of a team project.
- Implemented front-end features using HTML, CSS, and JavaScript.
- Integrated backend functionalities using MySQL and MongoDB.
- Collaborated with team members to ensure the project met all requirements and deadlines.

2. Customer Service Assistant/Local retail Store 2019-2020

- Assisted customers with inquiries and provided product information.
- Handled customer complaints and resolved issues promptly to ensure satisfaction.
- Managed inventory and restocked shelves, ensuring product availability.

3. Volunteer, IT Support (Member of Code For Change) 2023-Present

- Helped set up and fix computers for community events.
- Assisted with setting up and troubleshooting computer systems and networks.
- Provided hands-on support and learned how to assist people with their tech problems.

PERSONAL STATEMENTS

As a Computer Engineering student, I have cultivated a strong foundation in analytical thinking, problem-solving, and effective communication. These skills are highly transferable and can add significant value to non-IT roles. My diverse experiences in project coordination, research, customer service, and leadership have equipped me with a holistic understanding of various professional environments.

I am eager to leverage my background and skills to contribute to your organization's success. My adaptability and commitment to excellence will enable me to tackle challenges in any field with confidence and determination. I am excited about the prospect of bringing a fresh perspective and a tech-savvy approach to your team. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with your organization's needs.
